As a local Virginia Stormwater Management Program (VSMP) authority, [9VAC25-870-126](#) of the VSMP regulations requires VSMPs to report on the following items by October 1 of each year in a format provided by DEQ:

- a. Information on each permanent stormwater management facility completed during the fiscal year. *(Fulfilled through BMP reporting in the Construction General Permit database. No information needs to be provided on this form).*
- b. The number and type of enforcement actions; and
- c. The number of exceptions granted

Regulatory Citation	Requirement	Local Report
9VAC25-870-126 b.	Number and type of enforcement actions undertaken in preceding fiscal year*	0 <input checked="" type="checkbox"/> Check here if all enforcement for the locality is reported in the MS4 Annual Report <input checked="" type="checkbox"/> Check here if a portion of the locality is reported in the MS4 Annual Report. Note if only a portion is reported in the MS4 Annual Report; please report the remained in this column.
9VAC25-870-126 c.	Number of exceptions granted during preceding fiscal year	0

*If your locality is regulated under an MS4 permit, and this value has been included in the MS4 annual report *for the locality's entire jurisdiction*, check here and you do not need to include it on this form. Please If the MS4 annual report only includes the values of actions within in the MS4 service area, please provide the information on this form.
