# LAMPLIGHTERS

*Friends of the Radford Public Library*

P.O. Box 827

Radford, Virginia 24143

December 2, 2013

Dear Lamplighters,

We are writing to ask for your continued support of the Radford Public Library by renewing your membership with the Lamplighters, the Friends of the Radford Public Library, for 2014.

Thanks to you, our library is bigger and better than ever before, and continues to provide new and different services for readers and researchers annually. Our library boasts 16,178 library card owners who make more than 300 computer searches each day of the year.

With the help of Lamplighter funding, the library has provided participation for 6,906 children and young adults, and for 1,427 adults in programs designed specifically for them. Your contributions have also funded an Early Literacy Computer for children that has proven to be very popular.

Your continued membership as a Lamplighter will ensure that the library has an available resource beyond that provided by state and local governments to support the high quality performance we have all come to expect of our library.

Annual membership is \$10.00. As in the past, we also welcome additional donations that have made significant differences in our ability to support the library. Donations are tax deductible. Lamplighters is a 501 (c) (3) corporation. Please fill out the enclosed membership form, and return it in the envelope that is also enclosed.
